Please complete the yellow section of the applicant budget excel spreadsheet, following the budget guidelines. The spreadsheet will automatically calculate the amounts being funded by the Bar Scholarships Trust funding (34%); SBA (33%); and participant (33%).

3.2. Budget Guidelines

- **The maximum total budget that can be applied for is £2,500** unless you are applying to the FLBA where the maximum that can be applied for is £1,800 or to the Northern Circuit where the maximum is £2,000. Please note that this may be subject to change during the course of the year.
- Travel Insurance is recommended.
- Any flights and train journeys must be standard/economy class.
- No more than £200 should be spent on accommodation and subsistence expenses (including breakfast, lunch, dinner and local travel and excluding medical bills, phone bill expenses and personal items) per day.
- If you take any time as holiday before, during or after the conference, you must pay in full for any expenses incurred whilst on holiday. The grant will only cover the education aspect of any trip, which must also be the primary purpose of the journey.
- Be as accurate as possible in your budget plan by obtaining quotes.
- Keep expenditure within the approved budget.

3.3. Reclaiming expenses

- Within a month of your return from the conference you should detail each individual expense in the blue section of the applicant budget excel spreadsheet. Each expense must be evidenced by a receipt.

- Label all receipts and calculate their value in sterling where they are in another currency using the exchange rate at the time of your trip.
- Submit all receipts (originals, photocopies or scans), and your completed budget spreadsheet to the Young Barristers' Committee via email on YBC@BarCouncil.org.uk.
- **Claims must comply with these instructions and the budget guidelines and be submitted within a month of your return for reimbursement to be guaranteed.**
- You will be reimbursed for 2/3rds of the cost of the conference, in the form of two bank transfers, one from your SBA and the other from the Bar Council Scholarships Trust. **Please therefore also provide your bank details (account name, number and sort code) when you submit your receipts.**

PLEASE NOTE: There is now a requirement to complete a written report for publication on the Young Bar Hub prior to any reimbursement of your grant from the Bar Scholarships Trust.

3.4. Budget overspend policy

- The primary responsibility for expenditure which exceeds that which was approved in the application budget is the grantee.
- Any overspend that is anticipated in advance of the grantee's participation in the activity will be considered by the Bar Council Scholarships Trust trustees and sponsoring SBA or circuit on an individual case by case basis.
- **Retrospective applications for approval of overspend are not permitted.** The candidate is responsible for funding any unapproved overspend incurred themselves.
- If an overspend is anticipated **before** the grantee participates in their funded activity, prior permission in writing should be sought from the trustees and SBA or circuit (by contacting the Bar Council) and should be supported by documentation.
- Any such request for permission to the Bar Council does not guarantee approval of overspend.
- If a grantee's ability to fund the trip is reliant on approval of overspend, they should not commit themselves to the event until approval is received.

- Any such claim for overspend must be submitted within one month of the end of the activity for which the award was granted.
- The payment of any overspend is entirely within the discretion of the trustees and sponsoring SBA and is final.

3.5. Oversubscription policy

There may be a situation where the total funds requested for award to the candidates approved by different SBAs and circuits exceeds the funds available from the Trust. In this case the Chairman of the Young Barristers' Committee will decide who obtains funding, exercising their discretion taking into account:

- a. an objective of the grant scheme being to enable a spread of candidates from the different Circuits/ SBAs to take part,
and
- b. the merits of the individual applications.

If the Chairman is unavailable or otherwise unable to participate in the above, he or she may ask one of the Vice-Chairmen or senior members of the committee to make this decision together with the Policy Analyst: Legal Affairs, Practice and Ethics.

3.6. Data retention and privacy policy

We will retain your data for the length of time required to process your application. You can find our privacy policy [here](#).
